

Prof. Dr. Claudia Kemfert

Expert on Energy and the Environment

CSA CELEBRITY SPEAKERS

Prof. Dr. Claudia Kemfert is Head of the department Energy, Transportation, Environment at the German Institute of Economic Research (DIW Berlin) and Professor of Energy Economics at Humboldt University, Berlin. She advises EU president José Manuel Barroso as a member of the High Level Group on Energy and she is an external advisor for the World Bank, the United Nations and the Intergovernmental Panel on Climate Change (IPCC).

"Germany"s leading exponent of green economic policies

In detail

Prof. Dr. Kemfert was awarded from DAAD and was honoured in 2006 as top German Scientist from the German research foundation ("Elf der Wissenschaft 2006"). She is a member of renowned expert commissions, sustainability advisory councils and is a member of the editorial board of Energy Economics, Gaia and Energy Efficiency. Her research activities concentrate on the evaluation of climate and energy policy strategies.

What she offers you

With a wealth of unparalleled expertise in the social and economic effects of climate change, Claudia Kemfert offers organisations the necessary tools to expand without adversely affecting the environment. She shows decision makers how it is possible to achieve sustained growth and profits whilst simultaneously implementing "greener" business policies.

How she presents

Both an experienced speaker and a regular media commentator, Claudia"s presentations are filled with a wealth of useful actionable information backed up with years of solid research and proven business strategies.

Languages

She presents in English and German.
