

**Jack Shaw**  
Top Business Technology Futurist

## CSA CELEBRITY SPEAKERS

Jack Shaw has been a Business Technology Futurist for more than 30 years. He has spent his career leading companies in numerous industries and their technology suppliers to better more efficient ways of conducting and operating their businesses. Jack is widely recognised for his expertise in breakthrough business technologies such as: Ecommerce/OmniCommerce, "Big Data", Cloud Computing, Intelligent Systems, Social Media, Mobile Commerce and Supply Chain Management. Recently, Jack was voted as one of the world's Top 5 Technology Futurists for 2014 by over 12,000 meetings planners, executives and conference attendees.

**"Jack Shaw is a renowned expert on business technology**

### In detail

Jack graduated from Yale in Business Administration and has an MBA from Kellogg. He has provided advisory services to leading technology companies including IBM, SAP, Oracle and CA Technologies amongst others. He has also delivered expert guidance not only to Fortune 500 Companies such as General Electric and Coca Cola but also to numerous small and mid-market organisations in the public and private sector.

### What he offers you

Jack Shaw is uniquely talented at translating business technology into business value propositions. His keen perception and vision into emerging technologies and business practises enable clients to build products and services that anticipate where the market is headed. As a futurist, he is particularly expert at helping C-level executives and managers recognise and understand the strategic implications of emerging technologies.

### How he presents

A charismatic and dynamic speaker, he has delivered more than 1000 keynote addresses and executive presentations in more than 20 countries. He is also an experienced workshop facilitator and panel moderator.

### Languages

He presents in English.
