

Bas Lansdorp

Dutch entrepreneur best known as the co-founder and CEO of Mars One

CSA CELEBRITY SPEAKERS

Bas Lansdorp is a born entrepreneur with a passion for ambitious projects. He is co-founder and CEO of Mars One, a Dutch foundation that aims to land the first humans on Mars in 2027. To prepare for this settlement, the first unmanned mission is scheduled to depart in 2020. As CEO of Mars One, Bas oversees investor relations, public outreach and the initial contacts with potential suppliers, sponsors and partners worldwide.

Citatio

In detail

One of the reasons for the success of Mars One is the enthusiasm, which Bas transfers to any audience in a contagious way. One of the reasons for the success of Mars One is the enthusiasm, which Bas transfers to any audience in a contagious way.
