

Peter Vessenes

CEO of CoinLab Inc. & Founder and Chairman of the Bitcoin Foundation

CSA CELEBRITY SPEAKERS

Peter Vessenes is the CEO of CoinLab, Inc. and is the Founder and Chairman of the Bitcoin Foundation, an organisation that seeks to standardise and promote the use of Bitcoin. A serial entrepreneur, Peter has founded multiple startups, created an international development corporation in Africa, worked in top executive positions and as a business analyst, and served as a board member for tech companies.

"CEO of one of the most exciting phenomena of our times"

In detail

A born entrepreneur, Peter started his first technology company at 13. With a unique blend of business and mathematical analysis, curiosity and midwestern work ethic, he has founded multiple tech startups, created widely used products and systems, and served on several boards of directors. Inspired from travel experiences, he recently created an international development corporation in Africa.

What he offers you

A popular speaker on Bitcoin and the world of cryptocurrency, Peter is convinced that Bitcoin can change the world. The volatility and uncertainty of Bitcoin have raised many questions that as yet have been unanswered and Peter is ideally positioned to enlighten worldwide audiences, providing clarity and insights into the Bitcoin phenomenon.

How he presents

Peter provides audiences with fresh insights into the emerging world of Bitcoin and technology. He is in great demand to speak at conferences around the globe.

Languages

He presents in English.
