

Ray Hammond

Europe's Most Experienced Futurologist

CSA CELEBRITY SPEAKERS

Ray Hammond is Europe's most experienced and most widely published futurologist. For over 30 years he has researched, written and spoken about how future trends will affect society and business. As faster technological innovation, globalization and the environmental challenge continue to be priorities Ray is one of a few commentators equipped to explain how these massive challenges will affect our futures, the way we do business and the far reaching implications socially, economically and politically.

A futurologist proved accurate by over three decades of prediction

In detail

Ray started his career as a successful serial entrepreneur. In 1974 he co-founded the company that today owns and operates the British television outlet Channel 5 and publications including The Daily Express, The Daily Star and OK! After selling his shareholding advantageously in that company he founded and led International Magazines plc which he later sold to EMAP International in a multi-million pound deal. In 2010 President Mikhail Gorbachev presented Ray with the Medal of the Italian Chamber of Deputies for his services to futurology.

What he offers you

Ray projects an inspirational and breath-taking vision of the future to help your audiences navigate the hyper-competitive virtual economy. This vision is interpreted from a business, climate, social, political, and economic perspective providing a rounded view of how best to prepare your organisation for what the future holds.

How he presents

Ray is a stunningly gifted free-form speaker who requires no effects to enthrall an audience! He projects real warmth and dynamism and, using plain language he cuts through complex technical issues, new innovations and business concepts. A natural inspirational orator, Ray steps into his many audiences around the world to motivate and personally inspire them.

Languages

He presents in English.
