

Richard Duncan

Financial Analyst, Author of Bestselling "The Dollar Crisis: Causes, Consequences, Cures"

CSA CELEBRITY SPEAKERS

Richard Duncan is the author of "The Dollar Crisis: Causes, Consequences, Cures", an international bestseller that predicted the current global economic disaster with extraordinary accuracy. He is now chief economist at Blackhorse Asset Management in Singapore. A formidable speaker he has addressed audiences such as The World Economic Forum's East Asia Economic Summit in Singapore, The EuroFinance Conference in Copenhagen, The Chief Financial Officers' Roundtable in Shanghai, and The World Knowledge Forum in Seoul.

"A truly great speaker"

In detail

Richard Duncan studied literature and economics at Vanderbilt University and international finance at Babson College. Since beginning his career as an equities analyst in Hong Kong, Richard has served as global head of investment strategy at ABN AMRO Asset Management in London, worked as a financial sector specialist for the World Bank in Washington D.C., and headed equity research departments for James Capel Securities and Salomon Brothers in Bangkok. He also worked as a consultant for the IMF in Thailand during the Asia Crisis.

What he offers you

Having published articles in The Financial Times, The Far East Economic Review, FinanceAsia and CFO Asia and having appeared frequently on CNBC, CNN, BBC and Bloomberg Television, as well as on BBC World Service Radio, Richard provides a sobering, timely wake-up call to the looming dangers. He has worked as a financial analyst for more than 16 years and is a perfect choice for any audience seeking a clear, informed exposition of the systemic vulnerabilities that culminated in the global credit crisis of 2008.

How he presents

The author of a seminal book in the field of 21st century economics, Richard speaks with immense clarity and experience, weaving historical material into a rich tapestry of disturbing patterns, warning that the world cannot afford to ignore the lessons of Asian and Latin American financial crises.
